

SCPOA Survey on New Building

August 25, 2022

Data compiled directly from Facebook

<https://www.facebook.com/groups/Mosquito.Swansboro.Country>

Method:

A couple of questions that were asked and are listed below with answers:

Q - How do you verify addresses? A -With a map.

Q - Is it confidential? A - Yes, I will publish results without addresses. I don't care who you are, I just want to be sure only responses from SCPOA members are recorded.

Q - What if I have more than one parcel? A - I can make note if you let me know. Please PM me.

Q - Why if I said NO to being in favor, do you ask what type of building? A - Because if you don't get your way about having no building, then you have a chance to say what you would want under those circumstances.

Many responses recorded from people who did not enter a street address. Those responses were deleted. Here is a new link to a survey (as I want to include your responses if you are a SCPOA member and did not include your street address) so please include a street address to participate in the survey. The two responses that listed email address--I will email you to verify your address.

Sample size August 25, 2022: 38

In favor of new building:

Yes 34% No 66%

Cost of new building:

<= \$50K 5.3%, <= \$100K 2.6%, <= \$200K 10.5%, <= \$500 2.6%, any \$ amount 13.16%
